Dear Parents and Guardians:

The New Jersey Department of Education requires that parents or guardians are provided with information on the standardized assessments that will take place in the school district. Following is the 2017-2018 information regarding state mandated PARCC testing in the Shamong Township School District.

As the dates of the assessments approach, information will be distributed that provides specific dates and links to practice questions. If you have any questions, please feel free to contact Mrs. Laura Hoffman, Director of Curriculum and Instruction at the school district.

<i>GRADE</i>	<i>SUBJECT</i>	<i>TESTING DATES</i>	<i>MAKE-UP DATES</i>
3, 4	Math English Language Arts	April 16-20, 2018	April 23-27, 2018
5, 6, 7, 8	Math English Language Arts End of Course Algebra I	May 7-14, 2018	May 15-21, 2018

***If a student is permitted extra time or any other accommodations by their IEP, modifications will be made through the school's child study team office and school counselor.*

As always, I thank you for the continued support of our students and staff and the outstanding work that is done on a daily in our district. We have so much to be proud of as a school district and I encourage the continued collaboration between school and home.

Sincerely,

Christine Vespe
