September 6, 2016

Dear Parent/Guardian,

I hope that you and your family had a relaxing and enjoyable summer. As the Summer of 2016 draws to a close, we are excited to start the 2016/2017 school year.

The summer was very busy in the Shamong School District. Our custodial and maintenance staff prepared our school buildings and grounds for welcoming back our students and staff. The administrative team continued to focus on enhancing instruction, technology, safety and security.

Our students and teachers amaze us every day, and we share their successes on every platform possible. At the same time, we are constantly reviewing our achievements to set our sights on higher accomplishments, as we know we can do better every day.

The success of any school district and its students is built upon a solid working relationship between the district and its community. With this in mind, I encourage all parents to be an active part of your children's education and activities in our schools. There are many opportunities that will become available throughout the school year.

I look forward to a great school year and hope to see you at the many events and activities that make our school district outstanding.

Sincerely,

Christine Vespe
